**Coming Soon: ArchPass two-step login required for eLC, Athena, Employee Self-Service site**

In mid-March, the login process for several UGA systems will change. Students, faculty and staff will need to use ArchPass, UGA’s two-step login solution, powered by DUO, to access the following:

- eLearning Commons, for users with a MyID ([elc.uga.edu](http://elc.uga.edu)), effective March 12
- Employee Self-Service Site ([employee.uga.edu](http://employee.uga.edu)), effective March 12
- Athena ([athena.uga.edu](http://athena.uga.edu)), effective March 23

When logging in to each of these systems, you will enter your MyID and password, and then verify your ID with a phone or tablet enrolled in DUO.

Requiring ArchPass for these systems helps ensure the continued security of student and employee data.

Enroll your devices and find more info at [archpass.uga.edu](http://archpass.uga.edu).
