ArchPass two-step login required for eLC, Athena, Employee Self-Service site

Students, faculty and staff are required to use ArchPass, UGA’s two-step login solution, powered by DUO, to access the eLearning Commons (eLC), the Employee Self-Service site, and Athena.

When logging in to each of these systems, you will enter your MyID and password, and then verify your ID with a phone or tablet enrolled in DUO. If you don’t have a device enrolled, you will be prompted to enroll the first time you log in to one of these systems.

If you are enrolling in classes at UGA for the first time in summer 2018 or fall 2018, you are not required to use ArchPass to access eLC, vLab or Athena at this time, and will not be able to enroll devices. **Incoming students will be able to enroll devices beginning August 3, 2018.**

Find more info at archpass.uga.edu.
