Help Desk Support (HDS) Home

Using ArchPass while traveling
Working or studying abroad this summer? Don’t forget you’ll still need ArchPass to access eLC, Athena, vLab, the VPN and the Employee Self-Service site.
Before you leave, remember to enroll additional devices or request a keychain token. You can find more tips on our Traveling with ArchPass page.

Latest News

Housing Residents: Get connected to wireless service, wired service and cable TV service in your residence hall room. Learn how.

Technology Guides: Want to learn more about the technology services offered to students, faculty and staff at UGA? We have an IT guide for students and a technology guide for faculty and staff.

EITS Help Desk Mission Statement

The EITS Help Desk strives to provide professional first-tier technical support to the University of Georgia community. Our goal is to empower clients by making IT knowledge accessible. This is accomplished by providing a focused knowledge base and an efficient call center that acts as a single point of contact for UGA IT services.
