**Study abroad this summer? Don't forget ArchPass**
Working or studying abroad this summer?

You will still need ArchPass, UGA's two-step login solution, to access UGA systems while overseas. Plan ahead, and figure out which method of authentication will work best for you. Learn more on our ArchPass for Traveler's page.

### EITS Help Desk Mission Statement

The EITS Help Desk strives to provide professional first-tier technical support to the University of Georgia community. Our goal is to empower clients by making IT knowledge accessible. This is accomplished by providing a focused knowledge base and an efficient call center that acts as a single point of contact for UGA IT services.
