ArchPass required for UGAMail and OneDrive for Business
Reminder: You now need ArchPass, UGA's two-step login solution, to log in to your UGAMail and OneDrive for Business when off-campus.

If you are a current UGA student, faculty or staff member and do not have a phone or tablet enrolled in ArchPass, you can enroll a device by visiting the Duo Self-Service Portal. You can find instructions for enrolling devices here.

EITS Help Desk Mission Statement

The EITS Help Desk strives to provide professional first-tier technical support to the University of Georgia community. Our goal is to empower clients by making IT knowledge accessible. This is accomplished by providing a focused knowledge base and an efficient call center that acts as a single point of contact for UGA IT services.
