Blackboard Collaborate

Other Blackboard Documentation

- Collaborate Launcher
- Using Collaborate in eLC
- Using Collaborate outside of eLC

What is Blackboard Collaborate?

Blackboard Collaborate, available via the Online Rooms tool in eLC, has been selected to replace Wimba Classroom as the centrally-supported tool for instructional web conferencing at UGA. Support for new Wimba Classroom live sessions ended August 1, 2014.

Request a Collaborate Session outside of eLC

To request a freestanding Blackboard Collaborate session that’s not integrated within eLC, please submit a request.
