Network maintenance Jan. 25 essential to support network upgrade

On Saturday, January 25, beginning at 6 a.m., EITS will conduct a Data Center Maintenance. This maintenance will result in an outage of campus Internet access and campus information systems. This maintenance is necessary to support an expansion and upgrade of network services that will allow EITS to continue to provide ample bandwidth and capacity for the University. Learn more here.

Check out our new Knowledge Base!

The EITS Help Desk knowledge base has hundreds of articles available to assist the campus community.

EITS Policies, Standards, and Guidelines
The EITS Help Desk strives to provide professional first-tier technical support to the University of Georgia community. Our goal is to empower clients by making IT knowledge accessible. This is accomplished by providing a focused knowledge base and an efficient call center that acts as a single point of contact for UGA core IT services.
