Zoom Access

Note:
If you only need to join a meeting, you do not need to set up a Zoom Account. Simply click the link in the meeting invitation received from the host.

- Log in at uga.zoom.us.
  - Choose “Sign in” Configure your account.
  - Use your UGA MyID and password to log in.
- When logging in from the downloaded Zoom client, select Sign in with SSO. Enter "uga" for company domain. Sign in with your UGA MyID and password.

Issues logging in?
1. Please clear your cache and cookies (instructions) and try again. If you still have trouble continue to step 2.
2. Do you already have a free Zoom account?
   a. If yes, log into zoom.us, and Terminate your account. Instructions here. Then follow the login instructions above.
   b. If no, please contact us at the email or support request linked to the right.

- If you would like an upgraded account (not Basic) and don't already have an account:
  - Go to uga.zoom.us
  - Choose “Sign in” Configure your account.
  - Use your UGA MyID and password to log in
- If you would like an upgraded account (not Basic) and already have an account:
  - Contact your Department/College's IT staff who can invite you to UGA's Zoom account. Instructions will be given to you. Follow the instructions and your account will transfer automatically.
- When logging in from the downloaded Zoom client, select Sign in with SSO. Enter "uga" for company domain. Sign in with your UGA MyID and password.

Issues logging in?
If you have any issues, please contact your Department/College's IT staff. Contact info for many Help Desks around campus can be found here or check your Colleges website.
